

## ENVIRONMENT POLICY

TTSL will assess the potential environmental aspects and impacts caused by our business activities. We are committed to environment improvement and waste control. TTSL is committed and aligned to Tata Group's strategy to deal with Climate Change. We endeavor to:

- 🌱 Ensure that all our businesses comply with the environmental laws and regulations
- 🌱 Minimize impact of our business processes on the environment
- 🌱 Minimize waste creation and wherever possible, reuse the same. Ensure disposal of waste safely and responsibly
- 🌱 Encourage use of recycled paper, wherever possible
- 🌱 Ensure that all company vehicles and infrastructure are environmentally efficient
- 🌱 Provide avenues of environmental awareness to all stakeholders
- 🌱 Undertake to work on the principle of Reduce, Reuse and Recycle for our environmental initiatives
- 🌱 Give preference to suppliers and partners with environmentally sustainable products and services.
- 🌱 Conduct an annual review of environmental policy
